

# Investing for Success

## Snapshot report

### Under the Investing for Success Agreement for 2018

The Gap State School received: **\$157,336**

Our full 2018 agreement can be found at: [click here](#)

### Our school initiatives are on track to meet or exceed our targets

During 2018, we focused on maximising the benefits of this funding for our students. After reviewing our 2018 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Differentiate for prep students' needs and provide targeted explicit instruction in reading and writing.
- Support the learning needs of identified students by providing additional EALD teacher and SLP teacher time.
- Provide targeted explicit instruction for children with gaps in reading, phonemic awareness, oral language and knowledge of language structures.
- Provide opportunities for teachers to work with school's reading coach to build capacity and proficiency in the explicit teaching of writing.
- Collaboratively develop year level writing units, modelled texts and Bump It Up Walls with a focus on sentence structure and text cohesion.
