

## 2020 DIGITAL LEARNING RESOURCES

Concord Infiniti is the school's library management system. Students in all year levels can search for books, access their current loans, write reviews and reserve up to 2 books. They can also access the eBooks digital Library, Britannica School and Clickview directly through the catalogue interface (as tabs after a search term has been entered). Site: <https://thegapss.concordinfiniti.com>  
Username: MIS id (eg. jblog1) Password: ch@ngeme

All students have access to a wide range of ebooks and audio books through the Queensland State Schools eBooks Digital Library. It can be accessed through Concord Infiniti (the Overdrive tab) or by visiting the following site.

Site: <https://eduqueenslandau.libraryreserve.com>  
Username: MIS id (eg. jblog1) No password is needed.

Britannica School gives Yr 2 - 6 students access to informative articles, videos and relevant web links on a wide range of topics. It provides a safe way for students to conduct research at school and at home. Site: <http://school.eb.com.au>

Username: qldgap Password: waterworks

Britannica articles can also be accessed through the library catalogue.

Clickview is a curriculum-linked digital video and movie library available to all students. It has age-appropriate video clips, tv show episodes (e.g., Behind the News) and children's movies.

Access is available through the Clickview tab (after entering a Search term in Concord Infiniti). Log in details are above.

Typing Tournament Online is available to students in Years 2 - 6.

It uses a combination of mastery of learning, teaching sequences and games to motivate students to learn keyboarding skills, as well as building on ICT skills.

Site: <https://www.typingtournament.com/auth/login>

Log in details are provided by classroom teachers.

Mathletics is available to students in Years 1 - 6. The courses are aligned to the Australian Mathematics curriculum. Questions include games, animated tutorials and audio support.

Activities adapt to the learning pace of each individual student.

Site: <https://community.mathletics.com/signin/>

Log in details are provided by classroom teachers.

Literacy Planet is available to students in Years 1 - 6. It is a comprehensive program aimed at improving literacy skills. It is aligned to the Australian Curriculum and provides differentiated, systematic and structured personalised learning. Site: <https://www.literacyplanet.com/au/>  
Log in details are provided by classroom teachers.

In the digital version of this document, the web addresses are hyperlinked to each site (you may need to hold Ctrl before clicking). If you have any questions about the last three digital resources listed, please contact classroom teachers.

If you have any questions or difficulty accessing Library resources (the first four resources mentioned) please contact the Teacher-Librarian (Tues, Wed, Thu)
