

The Gap State School

Uniform requirements

The Gap State School is very proud of its school uniform as it contributes greatly to the tone of the school and encourages students to take pride in their appearance and in the school generally. It also identifies students outside the school confines. It is for these reasons we request that parents/caregivers ensure students wear the school uniform at all times.

The Gap State School has developed a Dress Code designed to promote a safe, instructional environment for students. This code provides standards of what is acceptable in relation to clothing, including footwear, as well as personal presentation. This code is endorsed by the Parent & Citizens Association.
