Please return signed sponsorship forms to the school office by Wednesday, 20 March.

If returning cash, please ensure the form and money are safely secured in an envelope with the student's name, class and 'Swim-a-thon' clearly written on the front.

Sponsorship money and donations are also accepted online via the **P&C's QR code**.

If contributing online, please include your child's surname and class in the 'note for seller' section on your transaction's Checkout page.

As this is a P&C fundraiser, please do not deposit money into the school account.

Funds raised for the P&C will contribute to the cost of purchasing a new heater for the school pool.

To showcase our students' Term 1 swimming achievements and in partnership with the school's P&C, in Week 8 (the week commencing 11 March 2024), all students in Years 3-6 will swim as many laps as they can during their PE lesson, participating in a swim for distance challenge, in our school swim-a-thon. Laps completed will be recorded by the HPE teacher and swim coaches and a record of achievement will be given to each child at the end of their lesson.

Thank you for your support.
